## SDGs declaration

SDGs is an abbreviation for "Sustainable Development Goals" .  
 There are 17 goals and 169 targets to be achieved by 2030 to realize a world where "no one is left behind."

To achieve the goals set by the SDGs, we declare as follows.

Initiative theme	Concrete efforts	SDGs goals
<p><b>Manufacturing that meets customer expectations</b></p>	<p>In order to protect the "reliability and quality" of our customers' products, we will strive to further improve our technology and provide highly accurate inspection equipment.</p> <p>[Main efforts]</p> <ul style="list-style-type: none"> <li>Establishment of product quality control system through continuous acquisition of ISO9001</li> <li>Provision of optimal custom-made products based on customer feedback and requests</li> <li>Promotion of long-term use through reliable after-sales follow-up</li> </ul>	 
<p><b>Creating workplaces where employees can work with enthusiasm</b></p>	<p>We will create a workplace where employees can take on new challenges by respecting and enhancing each other.</p> <p>[Main efforts]</p> <ul style="list-style-type: none"> <li>Active employment of diverse human resources such as senior workers and foreign workers</li> <li>Improvement of fulfilling human resource development programs such as OJT training</li> <li>Introduction of a fair and highly transparent personnel evaluation system</li> </ul>	   
<p><b>Creating workplaces where employees can work with enthusiasm</b></p>	<p>We will analyze the environmental risks in our business activities and actively take measures to reduce the environmental burden.</p> <p>[Main efforts]</p> <ul style="list-style-type: none"> <li>Manufacturing products that do not contain harmful chemical substances based on RoHS Directive</li> <li>Continuous acquisition of environmental management system ISO14001</li> <li>Reduction of energy consumption by introducing equipment with high energy-saving performance</li> </ul>
